Publix at Perimeter

Located in the heart of one of Atlanta's most vibrant business districts, Publix at Perimeter offers 74,000 square feet of prime retail space. Its major anchors, Publix Supermarket, Rite Aid Pharmacy and Delta Commercial Credit Union, attract a constant stream of loyal customers. Like its neighboring properties on Peachtree Dunwoody Road and Hammond Drive, Publix at Perimeter is upscale, beautifully designed and easy to access.

The surrounding Perimeter Center business district is the region's largest employer district and one of the Southeast's top corporate office markets. Included are:

- 4,000 businesses, including a concentration of Fortune 500 companies
- 115,000 employees
- 30,000+ households
- 248 office buildings
- 26 million square feet of office space
- 6 million square feet of retail space

In addition, the area is home to the state's largest concentration of healthcare and medical facilities. By 2025, the Perimeter area may have the region's largest population. Business leaders have addressed this growth with significant transportation and infrastructure improvements, leading the U.S. Environmental Protection Agency to designate the area as a Best Workplaces for Commuters District.
